

PROSPECTS

Research course

Norwich Business School

University of East Anglia (/universities/university-of-east-anglia-3738) · Norwich Business School

PhD· MPhil

Entry requirements

For entry on to the MPhil or PhD programme, we would normally expect an applicant to hold a 2:1 honours degree or equivalent, and a Masters degree result of at least 65% (or equivalent) overall and at least a 65% result for a dissertation or extended research element as part of that master course, in a relevant subject.

Months of entry

January, October, July, April

Course content

Our academic researchers and postgraduate research students' work is structured around five broad subject area groups:

- Accounting, Finance and Governance
- Employment Systems and Institutions
- Business Regulation
- Marketing, Entrepreneurship and Business Strategy
- Innovation, Technology Operations Management.

The School is part of the world-famous Centre for Competition Policy and provides independent expertise in all aspects of competition and economic regulation policy, as well as providing academic output and a forum for debate and policy-relevant findings for governments, authorities, private practitioners and the general public.

Responsible business is a defining aspect of the School's strategy, and a common thread throughout our research activities. This involves a long-term, sustainable approach to business practices that make a positive contribution to the 'triple bottom line': economic, social and environmental performance.

Information for international students

English entry requirements are: IELTS 7.0 overall (with a minimum of 6.5 in all components) or equivalent qualification.
All new postgraduate students from non-EU countries are likely to secure single accommodation in their first year.
